to learn more!**

The **South Carolina Modelers Association** was established August 27, 1994 to enable it's members to share ideas, learn new techniques and enjoy the fellowship of those who share their enthusiasm for modeling.

We are not master modelers. We have members who build at all levels in a variety of subjects. Members enjoy other benefits as well, like a 10% discount at participating hobby shops, a monthly newsletter, raffles and junkyards at SCMA events.

You are cordially invited to attend a meeting as our guest.

MODEL CONTESTS & SHOWS

Each year the SCMA puts on Model Contests and Shows in Charleston and Greenville. Turn out is always excellent. Vendors from all over the southeast attend bringing hard to find and out-of-production kits and accessories.

There are classes for many different model subjects. These include automotive, trucks, military armor, aircraft, ships, figures and dioramas. There are special classes just for the ladies and the junior modelers. Prizes are awarded in all of the classes. In addition, special theme and best in show prizes are awarded.

Check the club website for the dates and details for the contests and shows.

SCMA Model Contests & Shows

- May in Greenville
- October in Charleston
